March 20, 2015

Committee convened at 12:30 p.m. at City Hall.

Members present were John Best, Frank Zanaboni, Ellis Hall, Corey Rich and Ethel Mae Tennis.

Guests present were Norman Beyer, Jerry Hamby and Friends of the Park Committee Member Kerry Douglas.

Motion and second to approve agenda. Motion carried.

Motion and second to approve minutes of 2/20/15. Motion carried.

The main topic of discussion was an update on plans for the Swimming Pool Park. Plans have been updated to have 2 basketball courts and a splash pad. The basketball courts will be done first, then the bath house renovation and the splash pad will be the last thing done.

There are differences of opinion on whether the bath house will need to have heat and air and it was decided that available funds will be the determining factor.

Frank and Kerry were asked to present the final plans to City Council on 3/24/15 which is their next regular meeting. We need to have their approval in order to proceed.

Norm Beyer gave an update on the Dog Park plans. He has over 200 signatures in favor of a dog park. Mayor Best suggested he proceed with this and try to pick some people from the list to serve on a committee with him (Beyer).

Motion and second to adjourn. Motion carried.
