Absent: Member Morgan, and Pitts

Call to Order: Chairman Maupin called the meeting to order at 12:32p.m.

Approval of Minutes: Member Miller made a motion to approve the November 16th, 2012 minutes. Zanaboni seconded the motion which carried with all members voting in favor. Members Morgan and Pitts were absent.

Old Business:
• Replacement for Joel S. is Frank Zanaboni: Members welcomed Frank Zanaboni as a new member to the Parks and Recreation Advisory Committee. Frank is a bike club member and landscape architect professionally.

• Review of report from Drury Students: Postponed until the February 15th, 2013 meeting.

• Update on golf course: Postponed until the February 15th, 2013 meeting

• Reports on Aquatic Center propane usage, current hours and attendance: The committee discussed the heating cost of the Aquatic Center. During this discussion, Chad Jansen reported they have recently made many adjustments the unit. These adjustments include an occupied and unoccupied setting to hopefully reduce cost when the center is not being used. The committee was also informed that the air temperature in the center needs to be 2 degrees higher than the water temperature to avoid evaporation and fog. It was reported that currently the center is closed at 11am on Wednesday until Thursday at 5:30am. Discussion continued with ideas of how to keep the cost down and stay within safety requirements and code.

Aquatic center issues such as; marketing, how reducing the hours can be frustrating to members of the YMCA, the need to continue looking for resources and measures that work for the YMCA members as well as community members ensued.

Member Gregory mentioned it takes everyone working together to work out this issue.

Members were informed the first swim meet was held at the Bolivar Aquatic Center on Saturday, January 19th, 2013 and the YMCA is offering winter swim lesson sessions and have had approximately 48 students enroll.
