#### AIRPORT REPORT - March 2021

<u>Operations:</u> Concerning the day-to-day activities S.O.A.R. logged 54.00 hours for the month of **February**, including 3.0 hours for mowing. A detailed timesheet has been turned in to the City Clerk.

**<u>Airfield Inspections:</u>** No airfield issues were reported in **February**.

<u>Hangars:</u> For the month of **February**, all T-hangars remain leased. One hangar was vacated at the end of February due to the owner selling his aircraft, but the spot was immediately leased effective March 1<sup>st</sup>. We continue to have a wait list of folks interested in leasing a hangar.

Fuel System: No reported issues this month. Repair work on the hose reels has been completed.

<u>Fuel Sales</u>: S.O.A.R. generated **February** fuel invoice statements from the Fuel Master software and submitted to City Hall to send out fuel customer invoices. Fuel sales were down 233 gallons over last month. Sales were down 1,125 gallons for the same period last year. Summary fuel sales information for **February** is included in **Appendix 1**.

Wildlife: Limited deer sightings have occurred.

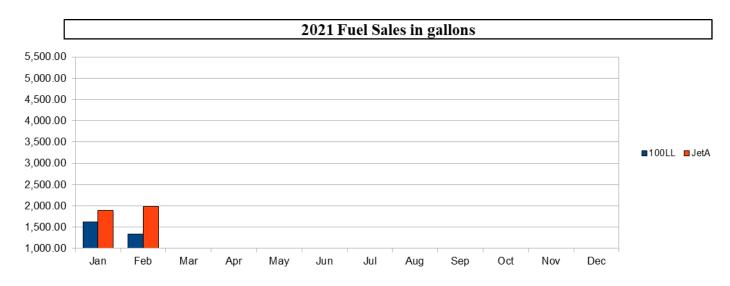

<u>Airport Projects:</u> Waiting on the weather to cooperate to clear brush along east side of runway as identified by MoDOT. MoDOT did an airfield inspection last in the year and we have received the report. An action plan is being developed to address so minor discrepancies, but no violations were noted.

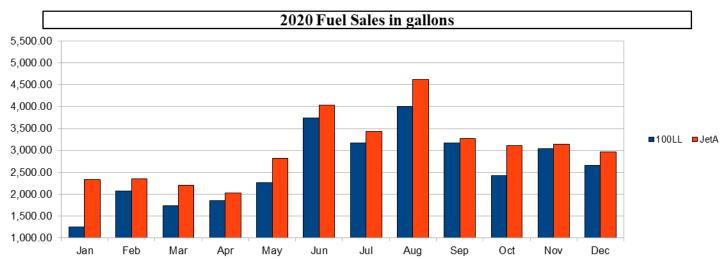

Appendix 1 - Fuel Sales Appendix 2 - Hangar Rentals (Reported by City Hall)

Report respectfully submitted by:

Kerrick Tweedy, Executive Director Service Oriented Aviation Readiness (S.O.A.R.)

It's time to get your team together, Adult Co-ed Softball registrations will begin April 1, 2021. Double header games!

## Meet the Instructors! Charla Lear

Charla Lear began her love affair with yoga in the last century...yes, she is that old! In 2015, she did her first teacher training with Adrienne Reed in Lutz, FL and began teaching around Hickory and Polk Counties. In 2020, she completed her RYT (Registered Yoga Teacher) 200 hour training with Shane Knox at Sage Studio in Springfield.

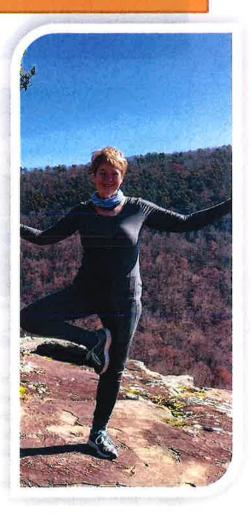

She is beyond excited that Bolivar acquired the YMCA building and loves teaching yoga! She teaches Tuesdays and Thursdays at 8:30am. On Mondays and Wednesdays at 7:30am, she attends Mary Sullivan's yoga class. Charla will always be a student first and a teacher second and thinks Mary is a fantastic teacher.

A Humansville native, Charla lived and taught Business Education in Weaubleau. She is married to her high school sweetheart, Steve (aka Doll Boy). They moved just outside of Bolivar in 2016. They have one son, Jarett, a daughter-in-law, Sarah, and one perfect grandson, Steven.

When not practicing yoga, Charla enjoys cooking, hiking, reading, traveling and spending time with family and friends.

Springfield isn't the only city in the region that has a host of parks to visit and explore. Bolivar is home to six parks and each has its own history and offers a variety of activities. The next time you have a full, sunny afternoon blocked off your calendar, visit the city's most popular park, Dunnegan Memorial Park. Its 44 acres offer visitors plenty of activities including multiple playgrounds, one of which was made for children with disabilities, a small lake, a walking trail that's just over a mile, a path for cross-country runners, seasonal restrooms, a few pavilions, picnic tables and barbecue grills.

While there, visitors should scout out the many QR codes posted around the park. Using a smartphone, these codes give visitors information on the various vegetation species growing on the

occasionally, the city accepts bids for people to take a few home with them.

The land officially became a park in 1923. Before that, local officials believe the land used to be a cattle farm owned by the Dunnegan family, who were prominent bankers and land-owners living in Polk County in the 1900s, according to Kerry Douglas, who is involved with Friends of Bolivar Parks and is a former city attorney for the City of Bolivar. Douglas says the two Dunnegan brothers, named Benton and John, ran what is now Mid-Missouri Bank in Bolivar. The land was owned by their father, Thomas Hart Benton Dunnegan.

property. Besides the fauna, visitors also frequent the park for a chance to see a swan or peacock. In fact, Tracy Slagle, city administrator for the City of Bolivar, says the peacocks are so prevalent in the area that

The Friends of Bolivar Parks, which is a local group dedicated to making improvements in Bolivar's many parks and scenic areas, is focused on a couple of projects to enhance visitors' experience. One such project is getting Wi-Fi installed within the park. Slagle said it's not uncommon to see students set up hammocks and study outside during the warmer months and with added community interest, it's just one more component that only adds to the appeal of Dunnegan Memorial Park.

#### STANDARD UNIFORM RENTAL SERVICE AGREEMENT RENEWAL

- 1. The Customer, its successors and assigns ("Customer") orders from CINTAS CORPORATION or any of its subsidiaries, successors and assigns ("Company") all of the Customer's requirements of garment rental services and other materials covered by this agreement during the term of this agreement all in accordance with the pricing, terms and conditions contained herein. Pricing is based on 52 weeks billing per rental material per year.
- 2. All garments and other rented materials will be cleaned and maintained by Company and remain the property of the Company. Any garments that require replacement due to normal wear will be replaced by Company at no charge to Customer.
- 3. Unless specified otherwise, the garments supplied under this Agreement are not personal protective equipment and have no special protective or other characteristics, including but not limited to, flame resistant or acid resistant properties. Specialty apparel and personal protective equipment may be available from Company upon request and would be covered under additional terms. Customer warrants that none of the employees for whom garments are supplied under this agreement require flame retardant or acid resistant clothing.
- 4. Customer is ultimately responsible for choosing the type and placement of any floor mats provided by Company and ensuring floor safety conditions at its locations. If a mat needs to be replaced for any reason prior to its next scheduled service, Customer should remove it and contact Company to request replacement.
- 5. Customer agrees to notify Company, in writing, of any hazardous materials, including lead, arsenic, hexavalent chromium and cadmium, that may be picked up by Company in the soiled garments or other textiles serviced under this agreement. In no case will hazardous materials be present to the extent that they may be harmful to Company's employees.
- 6. The weekly rental charge for any individual leaving the employ of Customer can be terminated, but only after all garments issued to that individual, or the current replacement value of same, have been returned or paid to Company. Any non-standard, or special products (i.e., logo mats) must be purchased by the Customer if service is stopped for any reason. If materials are lost or damaged by any means Customer will pay the then current replacement values for said materials. Should Customer require garment sizes that are outside the standard size range, Customer agrees to pay the specific premium price for those materials and sizes designated under Uniform Pricing.
- 7. This agreement is effective as of the date of execution. The initial term of this agreement shall be as set forth on the front of this agreement and shall automatically renew for the same period of time unless Company is notified, to the contrary, in writing, no more than 180 days, but no less than 90 days in advance of the expiration of the then current term. Company has the right to increase prices. The Customer has the right to reject the price increase within ten (10) days of the notice. If Customer rejects the price increase, Company may terminate this agreement. All invoices must be paid within ten days after the end of the month. Interest will accrue on any amounts which are not paid when due from the date due to the date of payment in full at an annual percentage rate equal to the lesser of (a) eighteen percent 18% or (b) the maximum rate permitted by applicable law.
- 8. Company is a licensee and not the owner of the Carhartt trademarked products. If Company should no longer have such license, then Company will substitute the Carhartt trademarked garments with garments of similar material and quality.
- 9. Customer hereby agrees to defend, indemnify and hold harmless Company from any claims and damages arising out of or associated with this agreement.
- 10. Company guarantees to deliver the highest quality textile rental service at all times. Any complaints about the quality of the service which have not been resolved in the normal course of business must be sent by registered letter to Company's General Manager. If Company then fails to resolve any material complaint in a reasonable period of time, Customer may terminate this agreement provided all rental materials are paid for at the then current replacement values or returned to Company in good and usable condition.
- 11. Additional customer employees, products and services may be added to this agreement and shall automatically become a part of and subject to the terms and provisions of this agreement. If this agreement is terminated early, the parties agree that the damages sustained by Company will be substantial and difficult to ascertain. Therefore, if this agreement is terminated by Customer prior to the applicable expiration date for any reason other than documented quality of service reasons which are not cured as set forth above, or terminated by Company for cause at any time, Customer will pay to Company, as liquidated damages and not as a penalty, the greater of 50% of the average weekly invoice total multiplied by the number of weeks remaining in the unexpired term, or buy back all garments and other products allocated to Customer at the then current replacement values. Customer shall also be responsible for any unpaid charges on Customer's account prior to termination.
- 12. While this agreement is in effect, Customer agrees to pay a weekly minimum charge equal to 75% of(a) the charges on the initial invoice and (b) the charges for additional products and services added after the initial invoice.
- 13. Any dispute or matter arising in connection with or relating to this agreement shall be resolved by binding and final arbitration. The arbitration shall be conducted pursuant to applicable state or federal arbitration laws. Any such dispute shall be determined on an individual basis, shall be considered unique as to its facts, and shall not be consolidated in any arbitration or other proceeding with any claim or controversy of any other party. The exclusive jurisdiction and forum for resolution of any such dispute shall lie within the state where Customer is located.
- 14. Customer certifies that Company is in no way infringing upon any existing contract between Customer and any other service provider.
- 15. This agreement contains the entire agreement of the parties with respect to the subject matter of this agreement and supersedes all prior negotiations, agreements and understandings with respect thereto, and any terms and conditions set forth in subsequent purchase orders or other documents issued by customer, in which case, the terms of this agreement shall control.
- 16. This agreement may not be modified, amended or supplemented except in writing signed by an authorized representative of Company, provided, however, if a federal, state or local government body or its representative is a party to this agreement, the proposal modification, amendment, or supplement must be in a writing signed by a President or a Senior Vice President of Company.
