

Republic Services® Bolivar Billing Changes

Effective Immediately

The City of Bolivar will no longer be billing residential customers for trash and recycling. Beginning May Republic Services will be billing Republic Services customers in Bolivar direct. We are setting up Billing for the customers and they will be receiving their first bill from Republic in June 2021. There will be minimal changes and below are talking points. The Service days will remain the same and we will have minimal changes to the Billing. The city billed the customers monthly on their water bill previously, beginning in May Republic Service will bill customers Quarterly directly from Republic Services. With this change customers will have the opportunity to pay their bill online and sign up for Republic online services account as well. The city of Bolivar mailed their last bill for April Services The first of May, customer will need to pay the City of Bolivar for April Services to the city. Below explains the minor changes in rates for services billed by Republic going forward. If you have any questions you are welcome to contact us for any questions @ 417-268-1265 or 417-268-1261 or email at csozarks@republicservice.com

Talking Points:

Billing will be coming from Republic and will be billed Quarterly, the first bill will be mailed in June 2021 for services including May, June, and July.

Service days and Routing will remain the Same.

Customer will have the opportunity to sign up for the Republic Services online account at www.republicservices.com or the can download the Republic Service App from their mobile device to access account information online. They will need their first invoice to sign up for the online services at that time.
